

Draw Your Own Galaxy Gram Channel!

In *Abby in Orbit 5: Going Supernova!*

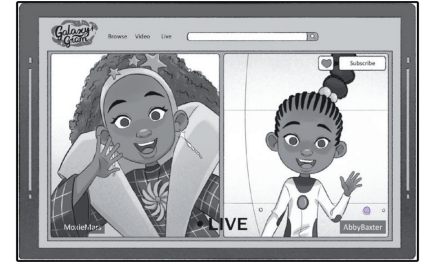

Galaxy Gram is the most popular social media app of the year 2051.

Abby's mom Sylvia shares scientific discoveries.

Abby's best frenemy Dmitry shares his hobby.

Moxie and Abby share dances, jokes, and fun.

If you had an online channel, what would it look like? What would you share?
Draw it or write about it in the Galaxy Gram screen above.
